FORCE SENSOR :

REPLY TO NOTICE OF DRAWING INCONSISTENCY WITH SPECIFICATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

In response to the Notice issued January 4, 2007, please note the following:

1. An amendment was submitted to the Patent Office on September 23, 2003, in connection with the present patent application, a copy of which is enclosed herewith as Exhibit 1. In that paper, an instruction was included to amend the specification by adding a reference to new Figure 13.

2. A second paper was submitted to the Patent Office on September 23, 2003, in connection with the present application, a copy of which is enclosed herewith as Exhibit 2. That paper included the new Figure 13 referenced in the amendment.

Accordingly, please enter in the record the enclosed Figure 13 contained in Exhibit 2. The undersigned represents that the enclosed Figure 13 is a true and correct copy of the Figure 13 contained in the attorney's files, and that it is, on information and belief, the same Figure 13 that was apparently submitted to the Patent Office on September 23, 2003.

In the event that any issues remain that can be overcome most easily through a telephone communication, the Patent Office is invited to telephone the undersigned at the telephone number set forth below.

If a Petition for extension of time is required to render this submission timely and either is not filed concurrently herewith or does not suffice to render this submission timely, it is hereby petitioned under 37 C.F.R. §1.136(a) for such an extension for as many months as are required to render this submission timely.

Please charge any deficiency in fees, or credit any overpayment thereof, to BLANK ROME LLP, Deposit Account No. 23-2185 (119508-00140).

Respectfully submitted,

Brian Wm. Higgins
Registration No. 48,443
